

Outline of Abstract Preparation

1. Please note that the copyright of the abstracts belongs to the Pharmaceutical Society of Japan. Please follow the instructions below to prepare your abstract.
2. Abstracts will be sent as PDF files. If you need a certificate for your oral presentation for patent purposes, please submit the necessary documents to the secretariat.
3. The abstracts should be prepared in A4 size in the specified format, converted into a PDF file, and sent to the 23rd Next Generation Symposium Secretariat by e-mail.
4. The number of pages required is the same regardless of the type of presentation.
oral presentation: 1 page
short talk: 1 page

We appreciate your cooperation.

【Applications must arrive no later than **Friday, April 4, 2025**. Please keep the deadline.】

Instructions for preparation of abstracts (Please refer to the sample on the next page)

1. Please write in English. (oral presentation: 1 page, poster presentation: 1 page)
2. Page settings: 2.5 cm top and bottom margins, and 2.0 cm left and right margins.
3. Please use a 12-point font (18-point line spacing) for title, affiliations, and names, and a 10-point font (15-point line spacing) for main text. To ensure the compatibility, please use either Times New Roman (Times), Arial (Helvetica), or Symbol fonts for all text, figures, and tables.
4. Order of preparation
 - A) Title: Center alignment, leaving at least 3.0 cm on each side.
 - B) Leave one line blank, and write the affiliations and names (mark “○” for the presenter) with center alignment.
 - C) Leave one line blank and write the main text.
 - D) Add references at the end.
5. Figures, tables, photos, etc. are allowed to be pasted into the manuscript. You can make the abstract in either color version or black-and-white version.
6. Cautions for creating PDF files
Please make sure that there are no garbled characters or layout errors in the converted PDF file. If necessary, please embed fonts or other processing.
